_____

Paper Presentations, Workshops on above themes, Culturals

This is the third National conference, specifically targeted to young scholars. Indic thought and wisdom has now been discussed in various forums and conferences. It is high time, now that we put this into action. The National Education Policy (NEP) 2020 captures this spirit and has given a much-needed thrust not only for the inclusion of Indian Knowledge Systems (IKS) in the national curriculum and pedagogy but also for promoting authentic research and innovation in the domain to address the challenges and concerns of the 21st century. Therefore, this conference has been specially curated, towards implementing and integrating Indic wisdom into regular curricula and encouraging and guiding, young scholars and researchers.

The 3-day National Youth Conference on Indian Knowledge Systems (NYCIKS) hosted and organised by Chinmaya Vishwa Vidyapeeth
in collaboration with IKS Division of Ministry of Education, Govt. of India is a step in this direction.
